2. Bonus issue of equity shares

The Board in its meeting held on July 13, 2018 has considered, approved and recommended a bonus issue of one equity share for every equity share held and a stock dividend of one American Depositary Share (ADS) for every ADS held, as on a record date to be determined. Consequently, the ratio of equity shares underlying the ADSs held by an American Depositary Receipt holder would remain unchanged. The Board approved and recommended the issue of bonus shares to celebrate the 25th year of Company's public listing in India and to further increase the liquidity of its shares. The bonus issue of equity shares and ADSs will be subject to approval by the shareholders, and any other applicable statutory and regulatory approvals.

The bonus shares once allotted shall rank *pari passu* in all respects and carry the same rights as the existing equity shareholders and shall be entitled to participate in full, in any dividend and other corporate action, recommended and declared after the new equity shares are allotted.

3. Addition to the Board

The Board appointed Michael Gibbs as an Independent Director of the Company effective July 13, 2018 for a period of three years, based on the recommendation of the Nomination and Remuneration Committee of the Board.

4. Assets Held for Sale

During the three months ended June 30, 2018, on remeasurement, including consideration of progress in negotiations on offers from prospective buyers for Panaya, the Company has recorded a reduction in the fair value of Disposal Group held for sale amounting to \$39 million in respect of Panaya. Consequently, profit for the three months ended June 30, 2018 has decreased by \$39 million resulting in a decrease in Basic earnings per equity share by \$0.02 for the quarter ended June 30, 2018.

5. Adoption of Ind AS 115 - Revenue from contracts with customers

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch-up transition method which is applied to contracts that were not completed as of April 1, 2018. Accordingly, the comparatives have not been retrospectively adjusted. The effect on adoption of Ind AS 115 was insignificant.

6. Voluntary delisting of American Depositary Shares from Euronext Paris and London

In line with the announcement made on June 11, 2018, the Company has voluntarily delisted its American Depositary Shares ("ADSs") (ISIN US4567881085) from Euronext Paris and London on July 5, 2018 and its ADS were removed from Euroclear France on July 10, 2018. The primary reason for voluntary delisting from Euronext Paris and London was the low average daily trading volume of Infosys ADSs on these exchanges, which was not commensurate with the related administrative expenses. Infosys ADSs will continue to be listed on the NYSE under the symbol "INFY" and investors can continue to trade their ADSs on the New York Stock Exchange.
